SIGNATURES

I understand that having Northeast Nodaway pay for my Vocational Technical School is a privilege and an opportunity.

Grades: I must be on track to graduate to be able to attend vocational school. I must keep my grades up including both my vo-tech grades and the grades of the courses I take at Northeast Nodaway. If my grades are not meeting sufficient standards, I understand that I may be required to arrange for tutoring after school. I also understand that I may have to take courses online upon returning to Northeast Nodaway in the event that my needed classes do not line up with the schedule offerings.

Credits: Elective credits, and in some cases a science or math credit may be obtained with successful completion of Vo-Tech programs.

Attendance: I understand that attendance is important and I am only allowed 5 absences (excused or unexcused) from vo-tech per semester. I understand that if I miss more than 5 days, I may be required to pay a fee for each subsequent absence. I must be at school by 7:30AM each morning to board the bus to vo-tech. If I miss the vo-tech bus, I understand that I am required to go to the Northeast Nodaway school at 8:06AM.

Transportation: I understand that I am required to ride the bus to and from vo-tech. If I have to drive myself to vo-tech, I understand that arrangements must be made PRIOR to driving with Mr. Cox.

WHAT IS VO-TECH?

Vocational Technical is a school that students or adults can attend to obtain certification in certain trade areas. By obtaining a certificate the student will then be more qualified and attractive to employers.

WHAT PROGRAMS ARE OFFERED?

1. **Automotive Technology:** Train with modern test equipment - Learn industry standards in a safe, clean environment - Receive guidance from trained experts in the automotive field; Prepared for immediate employment, ASE certification or further degree.
 2. **Building Trades:** Learn all aspects of residential and commercial construction - Learn home repair and remodeling skills - Use state of the art equipment in a clean and safe working environment; Prepared for immediate employment, advanced certification or further degree.
 3. **Teaching Professions:** Play and teach with children - Obtain Child Development Associate (CDA), CPR, AED and First Aid training and certification - Train in licensed day care and early childhood facilities or a school setting; Prepared for immediate employment, continuing education or further degree. There is an opportunity for Dual Credit through Missouri Western State University (MWSU).
 4. **Collision Repair:** Receive instruction from trained expert with state of the art equipment - Communicate with trade leaders in the collision repair field - Master collision repair and refinishing techniques; Prepared for immediate employment, advanced certification or further degree.
 5. **Culinary Arts:** Use safety and sanitation procedures and practice food preparation techniques - Develop business plan while operating an onsite Café and catering service - Obtain Pro Start National Certification from the National Restaurant Association; Prepared for immediate employment and continuing education in professional culinary programs.
 6. **Health Science:** Train in licensed health care and residential care facilities - Work with licensed health care providers - Obtain Certified Nurse Assistant (CNA) certification; Prepared for immediate employment, advanced certification or further degree.
 7. **Welding/Machine Shop:** Train with modern state of the art equipment - Perform basic fabrication skills - Communicate with industry leaders - Prepare for American Welding Society (AWS) certification; Prepared for immediate employment, advanced certification or further degree.
- Those completing a 2 year certificate may attend North Central Missouri College and achieve an Associate's Degree with just 1 year of college (instead of the typical 2).

WHO CAN GO TO VO-TECH?

Northeast Nodaway Juniors and Seniors who meet the following requirements:

1. Have a cumulative GPA of 2.0/4.0 upon applying for Vo-Tech.
2. Have an attendance rate of 95% from the year prior to NTS attendance.
 - a. Once a student is enrolled in Vo-Tech they must follow NTS guidelines for attendance and GPA.
3. Fill out an application showing how Vo-Tech fulfills their career goals.

WHEN IS VO-TECH?

8:00-10:35 each day. Bus departs at 7:30 AM.

TUITION COSTS

For Northeast Nodaway students who meet applicant expectations we will pay your fee in full. If applicant is not selected for fully funded program he/she may still attend if he/she meets graduation guidelines and pays the tuition.
